Dear President Chong:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 5-7, 2019, reviewed the Midterm Report and related evidentiary materials submitted by Santa Rosa Junior College. The purpose of the review was to determine the degree to which the institution has made progress in implementing its plans and improving outcomes related to student achievement.

After consideration of the Report, the Commission has determined that the institution's progress is appropriate and has accepted the report. The Commission encourages the institution to find ways to share these practices in suitable venues with other members in this learning community.

On behalf of the Commission, I wish to commend the evident achievements of the College as it continues its efforts in the best interests of its students. We look forward to working with the College as it prepares for its next comprehensive review in Spring 2022.

Sincerely,

A handwritten signature in blue ink that reads 'Richard Winn'.
